Dear Committee members,

Thank you for a very productive meeting today.

To summarize the highlights of the meeting, our QEP focus statement is: The goal of the QEP is to improve student learning by engaging students in undergraduate research and creative endeavors.

Please add the following meetings to your calendar:  
Wednesday, March 14, at 10:00-10:50 a.m. (location TBA)  
Monday, April 16, from 4:00-6:00 p.m. – will include dinner (probably President’s Dining Hall, but I’ll confirm that)  
Wednesday, April 25, from 10:00-10:50 a.m. (location TBA)

Attached you will find the two mini-white papers that relate to undergraduate research. They may be useful in the development of a review of literature on undergraduate research. In a separate e-mail, I will send you the three full white papers that the QEP Topic Selection Committee reviewed. I’m also sending you the page entitled, “Our first task: Learning more about other institutions’ undergraduate research programs” & the proposed timeline that we discussed in the meeting.

Let me know if you have any questions or concerns about this process. We’ll figure it out together!

Thanks!—

Lena
