

QEP Topic Selection Survey (Spring 2011)

During the next few years, Trevecca will be planning and implementing a Quality Enhancement Plan (QEP) in order to meet an accreditation requirement. The QEP should:

- ...support Trevecca's strategic plan
- ...address an area of significant, evident need related to student learning
- ...be measurable in terms of student learning outcomes
- ...represent a course of action that is achievable within the resources of the University
- ...have the support of key constituency groups
- ...be selected after a broad institutional participation
